JULY

FAREWELL, TIM CAVANAUGH

Activities Director at Bradley House since August 2013.

We will miss you!!!

Everyday Tim brought energy, enthusiasm and kindness to Bradley House. He bestowed his patience and thoughtfulness on the residents and their families. He built strong connections with artists, musicians, exercise instructors, school children groups, authors, poets, readers and friends of Bradley House.

Tim enjoyed being a part of the activities program. He was a participant as well as an organizer. Tim didn't take himself too seriously and enjoyed getting in on a bit of the fun. He wore a superman suit last Halloween, and on crazy dress day he wore as many miss-matched things as he could. He always encouraged people to participate at their own comfort and ability levels.

Tim brought joy to Bradley House. His spirit will be with us always.

From his colleagues, what we will miss about Tim:

- I will miss his genuine love and enthusiasm for the residents and the care and thoughtfulness that he put into all of his activities. He included everyone and made sure that a good time was had by all.
- His laugh.
- His ability to have fun, to lighten things up.
- He always had a positive attitude. He was really, really good with the residents.
- Talking about music and the band he plays in.

Around the Halls of Holton Home

Each June, we take one week to celebrate the amazing Aides that make Holton Home the amazing place that it is!

A few years ago, the residents, Kree and I made accordion books with pictures of the residents smiling and their words of thanks. We all know that our Aides are beyond wonderful and I thought that what the residents had to say this year was worth sharing:

- Thank you for being so loving & helpful anytime we need assistance.
- I am always amazed at the way you all go “above and beyond the call of duty” for us. We are so fortunate.
- Each one of you anticipates my wants and needs - you do all you can to make me happy here & you’ve succeeded!
- Thank you for all you do to help us. Some days I wouldn’t know where to start without your help.
- Regarding our staff: each and every person is really glad to be here and care for all of the residents. They are all people we can depend on when the residents have a question or concern. It’s great to feel so comfortable in this space. Thanks for making us feel “at home” with you in this space at Holton Home.
- You make me feel safe and cared for. I love you!
- Thank you so much for just being here for me!
- What can’t I say? You are all my family here, so much so. My love to all of you for your great work loving us!
- You are the best!
- Best wishes to great friends.
- Thank you to all the nurses for everything you do.

We had a GREAT time recently

at

Dutton's Farm Stand!

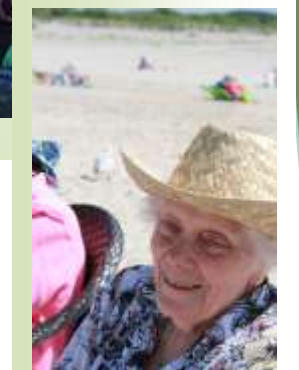

Please join us for
Brattleboro's
Annual 4th of July Parade!

Residents, staff, and some of
our children will all be participating!

Our trip to the beach was wonderful, with good weather and even better company!

Bradley House Revival Update

The mansion renovation is going quickly. New windows are in and the exterior has a fresh coat of paint. We're on our way to restoring it to its "grande dame beauty."

The third-floor suites are sheetrocked, showing their good size and interesting lines. And the views! You can see up and down the valley, downtown, and distant hills - we've taken to calling them the Penthouse Suites!

The second-floor is also quite wonderful. Want to take a look? Call Debra Abel at 254-5524, for an appointment. Reservations for these rooms are being taken now.

**Holton Home's
Annual Friends & Family
BBQ**

**Will be on August 17th
At 4:30pm**

Stay tuned for details!
